The Hon'ble Mr. R. Rainaisnamaniar Esqr. B.A.

Secretary to the Government of Mysore and

Resident Superintendent Public Works Bangalore City

Sir

With reference to your letter No. L4g/M1-239-20-2 dated the 6th July 1921 to the Chief Engineer Mysore; in connection with the "Water Supply" proposed for this Settlement I beg herewith to express my best thanks to you, and through you also to The Hon'ble The Mysore Durbar, for so readily and graciously according to my proposals on the Subject. I am sorry however to have to say that owing to the recent Order of The Hon'ble The Government of Mysore, No. R J 142 63-75/L.R.-451-17-7 dated the 28th June 1921, in regard to the Resumption of all the Lands of this Settlement, conditions have altered and may stultify the promise I held out in my letter of a grant from the Anglo Indian Lottery Fund of Rs 13.000/- to cover half the cost of a suitable Scheme. The Chairman of the Trustees of the Lottery Fund, whom I have consulted, is of opinion that, under the altered conditions created by the Resumption Order, Whitefield would no longer be a purely Anglo-Indian Settlement and that therefore it seemed to him, that the Lottery Fund could not rightly be made use of for the benefit of Members of Whitefield who, no longer, would exist as Settlers of a Colony controlled by the Anglo-Indian and Domiciled European Association of Mysore and Coorg. The matter is momentous and urgent, and I am accordingly addressing You, Sir, as directed to ask (1) Whether, under the above circumstances, it would be better to allow action on the part of the Chief Engineer in Mysore,

in regard to defraying the Expenses of the Settlement- in order to formulate a suitable Scheme to submit to the Government for approval. The formulation of a Scheme, or Proposal to decide what should be done in the matter of costs. Perhaps, Incidentally, the Trustees have in their view the Constitution of a Grant, considering we will still continue in the Members of the Native Association, and the Association may under the altered conditions encountered by the Resumption order, have the Costs to defray on behalf of the Prospectus -

We will draw respects and Compliments

Believe me

Yours faithfully

Secretary to the Brit. Bechuanaland Exploration and Development Co. Ltd.
